Although the abovementioned is the current level of turnover/income and is closely related to the economic indicators, it may be more or less in future. Consequently, this Certificate does not serve as a guarantee that the income reflected will continue at the same levels. Where the entity is a start-up enterprise, this EME Certificate is valid only for contracts with a single value of less than or equal to **R 5 million**. Should the contract value being tendered for be higher than **R 5 million** and less than **R 35 million**, the EME will be required to submit a QSE Verification Certificate with any tender. For contracts over **R 35 million** a B-BBEE Verification Certificate based on the Generic Codes must be submitted.

Based on our procedures, which do not constitute an audit or review, we have determined that the turnover/ income is less than, or equal to, **R 5 million**. The Black Ownership is < 50%, therefore the Measured Entity qualifies for a B-BBEE recognition **Level 4**.
